The Bush Legacy: Their Story in Photographs David Elliot Cohen, Donald L. Evans

The Bush family's political resume is unequalled in American history: one US senator, two governors, one vice president, and two presidents! This lavish book, with an artful combination of well-known and rare images in the style of bestselling author David Elliot Cohen's *Nelson Mandela* and *Ronald Reagan*, is a spectacular tribute to that record. Condoleezza Rice, President George W. Bush's secretary of state, has written the foreword, and Donald L. Evans--chairman of the 2000 Bush-Cheney campaign and chairman of the George W. Bush Presidential Center--contributes an essay on George W. Bush's presidency. Additional commentary by leading historians, landmark speeches, and historic photographs make *The Bush Legacy* a must-have for both devoted conservative fans and anyone interested in exploring the impact of this influential family.
