The Survival Handbook DK

The ultimate visual guide to camping, the wilderness, and outdoor survival skills, in a handy portable format and packaged in a functional mess pan.

The Survival Handbook combines proven, no-nonsense military survival skills with indigenous bushcraft techniques. Written by a Royal Navy Chief Survival Instructor with more than 30 years' experience, this guide covers everything from choosing the right gear to map-reading to finding and preparing food to first aid and how to react in a worst-case-scenario emergency, and even includes real-life survival stories. Clear step-by-step instructions and more than 500 specially commissioned illustrations bring each featured skill to life, and a directory on wild foods and natural dangers serves as a quick reference. Packaged in a functional mess pan case—an essential survival tool—*The Survival Handbook* is more than just a book, and is a great gift for anyone who loves camping and adventuring in the wilderness.

Fully updated and covering everything you need to know to prepare for a camping trip and what to do if something goes wrong, *The Survival Handbook* is the ultimate guide to the great outdoors.

From reader reviews:

Georgia Martinez:

Book is to be different for each and every grade. Book for children until eventually adult are different content. We all know that that book is very important for all of us. The book The Survival Handbook was making you to know about other know-how and of course you can take more information. It is rather advantages for you. The book The Survival Handbook is not only giving you much more new information but also to become your friend when you experience bored. You can spend your spend time to read your e-book. Try to make relationship with all the book The Survival Handbook. You never truly feel lose out for everything should you read some books.

Richard Hood:

In this 21st hundred years, people become competitive in each and every way. By being competitive right now, people have do something to make these individuals survives, being in the middle of the particular crowded place and notice through surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Sure, by reading a e-book your ability to survive increase then having chance to stand up than other is high. For you who want to start reading some sort of book, we give you this kind of The Survival Handbook book as beginning and daily reading reserve. Why, because this book is usually more than just a book.

Billy Stinson:

As people who live in the particular modest era should be upgrade about what going on or information even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This The Survival Handbook is our recommendation so you keep up with the world. Why, since this book serves what you want and want in this era.

Dora Bair:

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. Having book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or even their experience. Not only situation that share in the publications. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this The Survival Handbook.
