Peter Heller

In the tradition of *The Perfect Storm*, *The Whale Warriors* takes us on a hair-raising journey aboard a whale-saving pirate ship with a vigilante crew whose mission is to stop illegal Japanese whaling in the stormy remote seas off Antarctica. For two months, journalist Peter Heller rode aboard the vegan pirate ship *Farley Mowat* as it stalked its prey—a Japanese whaling fleet—through the storms and ice of Antarctica. The ship is black, flies under a jolly roger, and carries members of the Sea Shepherd Society, a radical environmental group who are willing to die to stop illegal whale hunting. The Sea Shepherd ship, led by the charismatic Captain Paul Watson—a modern-day anti-Ahab—takes extreme risks in defense of whales and ratchets up the stakes. The ship is almost sunk twice, once in a force gale. Heller re-creates a nail-biting showdown when Watson and the crew attempt to ram an enormous Japanese whaling ship on the high seas, trying to tear open its hull with a steel blade called a "can opener." The crews on board both ships know that there will be no assistance in this desolate part of the ocean. In thirty-five-foot seas, it is a deadly game of Antarctic chicken and a fast-paced, rollicking adventure in which the stakes cannot be higher.
