Beyond the Human Species: The Life and Work of Sri Aurobindo and The Mother (Omega Books)

Georges Van Vrekhem

Indian mystic and spiritual leader Sri Aurobindo -- who grew up in England and fought against colonial rule in India -- is most associated with the occultist Mirra Alfassa (The Mother). Together they founded their famous ashram in Pondicherry where they worked together towards the realization of their integral yoga and lives' mission: the establishment of the supramental consciousness upon Earth, the spiritual transformation of the world and the coming of a new species -- beyond present humanity.
