Bluewater Stalker is the sixth book in the Bluewater Thriller series, featuring Dani Berger and Liz Chirac as the no-nonsense owners and crew of the classic sailing yacht Vengeance.

Jane and Bill Fitzgerald have chartered Vengeance for a month's getaway exploring the islands of the eastern Caribbean. To Dani and Liz, the cruise seems routine at the beginning, although they quickly sense that something's amiss between Jane and Bill.

For Bill, this is a working vacation. He's planning some research on the culture of the early inhabitants of the islands, but Jane has a different agenda which she hasn't shared with her husband. Neither is prepared for the trail of bodies that marks their progress through the islands.

Bluewater Stalker will keep you turning pages to discover the killer's identity and his connection to the Fitzgeralds as Dani and Liz fight to keep their guests safe. Get it today.
