Five Summers Una LaMarche

Bittersweet, funny, and achingly honest, *Five Summers* is a story of friendship, love, and growing up that is perfect for fans of Ann Brashare's *The Sisterhood of the Traveling Pants* and Judy Blume's *Summer Sisters*.

Four best friends, five summers of camp memories

Emma, Skylar, Jo and Maddie have all come back to camp for a weekend of tipsy canoe trips to the island, midnight skinny dipping in the lake, and an epic game of capture the flag--boys versus girls. But the weekend isn't quite as sunwashed as they'd imagined as the memories come flooding back...

The summer we were nine: Emma was branded “Skylar’s friend Emma” by the infamous Adam Loring . . .

The summer we were ten: Maddie realized she was too far into her lies to think about telling the truth . . .

The summer we were eleven: Johanna totally freaked out during her first game of Spin the Bottle . . .

The summer we were twelve: Skylar’s love letters from her boyfriend back home were exciting to all of us—except Skylar . . .

Our last summer together: Emma and Adam almost kissed. Jo found out Maddie’s secret. Skylar did something unthinkable...and whether we knew it then or not, five summers of friendship began to fall apart.

A young adult book with a friendship story that will last long after the last s'more is gone.

From reader reviews:

Augusta Wilson:

As people who live in typically the modest era should be revise about what going on or facts even knowledge to make all of them keep up with the era that is certainly always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Five Summers is our recommendation to help you keep up with the world. Why, because book serves what you want and wish in this era.

Richard Burnett:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of publication you read, if you want drive more knowledge just go with schooling books but if you want truly feel happy read one having theme for entertaining such as comic or novel. The particular Five Summers is kind of publication which is giving the reader unpredictable experience.

Kathleen Huckaby:

That guide can make you to feel relax. That book Five Summers was colorful and of course has pictures around. As we know that book Five Summers has many kinds or category. Start from kids until young adults. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore , not at all of book are usually make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading that will.

Williams Carter:

Reserve is one of source of understanding. We can add our know-how from it. Not only for students but also native or citizen need book to know the update information of year to be able to year. As we know those textbooks have many advantages. Beside we all add our knowledge, also can bring us to around the world. By the book Five Summers we can consider more advantage. Don't someone to be creative people? To be creative person must prefer to read a book. Only choose the best book that suitable with your aim. Don't become doubt to change your life by this book Five Summers. You can more pleasing than now.
