A lot of hullabaloo on the prairie. Jack Clausen has led a hard, lonely life, but he's content with a good job as a cowboy, a faithful horse, and the Lord. But when a near tragedy flings him into the path of a lovely young lady, Jack's resolve to stay single and alone wavers. Hazel Meissner has everything a young man could hope for—kindness, gentleness, and just enough playfulness to keep things interesting, but when accusations tear at their relationship, Hazel's true strength emerges. *Without forgiveness, many lives will be irrevocably changed.* Jack is the first book in the Ballads from the Hearth series. This book was inspired by the old ballad, "Cowboy Jack" and Shakespeare's *Much Ado about Nothing*. Ballads from the Hearth is a collection of unrelated novels inspired by the ballads the author's father sang as a child.
