A groundbreaking book for gay and lesbian couples.

In this country, same-sex marriages have yet to become legalized even though increasing numbers of lesbian and gay couples are forming and maintaining long-term relationships. In a friendly and informal tone, *Legal Affairs* presents critical concerns facing individuals whose partnership is not protected by the laws of marriage. It covers the social, legal, psychological, and financial aspects of forming or dissolving same-sex partnerships as it encourages couples to design for themselves a balanced and equitable union that will survive the good and bad times.

A unique blend of practical advice, wise counsel, and social history, it features a comprehensive discussion of a variety of legal and financial arrangements that lead to securing and "legally" binding a relationship. It reviews the commitment process; the details of making written agreements; and taxation and the "extended" family. It also offers concrete advice concerning the ending of a union that may involve children, real estate, and personal property. Sensitively recognizing the personal and political dynamics involved in same-sex partnerships, this wonderfully comprehensive guide is sure to become a must-have for gays and lesbians.
