Anna Piaggi's Fashion Algebra: D.P. in Vogue Anna Piaggi

For over ten years Anna Piaggi wrote one of the most celebrated features in "Vogue", the "Double Page" presenting her unusual view of the world of fashion. Together with her husband, the highly esteemed fashion photographer Alfa Castaldi, she set out each month to analyze an event, a happening, a garment, an accessory, a personality or a stylist, blending text and photographs in a unique and innovative way to create visual messages of rare effectiveness, admired by journalists all over the world. This volume brings together the best of the "Vogue" "Double pages", a testimony at one and the same time to the evolution of her graphic style, her great intuition and her inspired talent. In the pages first of "Vogue" and now the "Panorama", she has been able to pick out what is really new in style, interpreting stylistic developments with insight and intelligence and helping to set trends herself.
