## Help students understand how culture impacts development — and why it matters

*Child Development: A Cultural Approach* helps students learn how to think culturally about human development throughout our diverse, increasingly globalized world. Authors Jeffrey Arnett and Ashley Maynard weave an engaging chronological narrative that traces development from birth through emerging adulthood, integrating current research and cross-cultural examples from around the globe throughout. The **Second Edition** offers substantially updated content, as well as new coverage of key educational issues, to help students achieve a thorough, practical understanding of development throughout the world.
