Chihuahua Large Print Nine-Letter Word Puzzles Alan Walker

A large print book of 75 nine-letter word-finding puzzles. The book uses well spaced 16 point type for all text, including puzzle targets and solutions. See how many words of at least four letters you can make from an array of nine letters. The letter in the middle must be used in every word, and at least one word can be made that uses all the letters. Each puzzle has targets for how many words you find. Good, Better and Best can be reached with well-known words. Two higher target levels require some more obscure words. You decide which target to aim for. All possible words are listed in the Solution section. Derived from the popular Chihuahua Puzzle website.
