## **Janet Cardiff: The Walk Book** Mirjam Schaub

This is the definitive edition documenting Janet Cardiff's audio *Walks* in Paris, London, and New York. For these walks, Cardiff provided gallery-goers with walkmans which led them through the cities relying solely on the acoustic guide. The urban environment thus became the scene of a mysterious narrative in which the visitors became ever more involved. An artist's book with a CD that “guides” readers through the book with regards to text and illustrations.
