Charles Fergus

**Swamp Screamer: At Large with the Florida Panther** Charles Fergus

"Whether the panther survives or perishes, Fergus has written a book that does it full justice. His narrative is lively and full of anecdotes, some of them eye-openers."--Jonathan Yardley, *Washington Post*

"As good as, or better than, any book I've read in years about the awful and willful ignorance of homo sapiens about the living world."--Farley Mowat, author of *Never Cry Wolf*

"Charles Fergus [is] a diligent reporter and straightforward writer. . . . You will enjoy [his] descriptions of forays into panther territory."--Kathleen Krog, *Miami Herald*

The Florida panther is an endangered species, its way of life altered by the spread of suburban culture across the state. In *Swamp Screamer*, Charles Fergus tracks the fifty or so panthers that survive in Florida, vividly describing the people trying to save these remarkable creatures--including wildlife biologists trying to preserve panther habitat and radical animal lovers who regard the panther as a symbol of their crusade on behalf of nature. *Swamp Screamer* is a surprising and often comic look at the wildlife movement today; it is also an evocative history of the vanishing wilds of Florida and a deeply affecting portrait of the panthers themselves.

Charles Fergus has written six books, including the novel *Shadow Catcher*; a collection of essays, *The Wingless Crow*; and a memoir, *A Rough-Shooting Dog*. He lives in a stone house that he built himself on a mountainside in central Pennsylvania.
