THINK Social Psychology

THINK Social Psychology covers the essentials every social psychology student should know. The chapters are briefer than a standard introductory text, allowing for a lower cost to students and using less printed paper. *THINK Social Psychology* includes 13 chapters of content, giving instructors the flexibility to choose what they want to cover.

THINK Social Psychology provides currency and relevance through design, current examples and high-interest readings. The readings have been chosen from a range of well respected journals and popular press publications. With the concise presentation of material in the chapters, instructors have the option of incorporating these readings and helping students connect to issues occurring outside of the classroom.

An engaging visual design developed with the benefit of extensive student feedback will appeal to students and deliver the key concepts of Social Psychology in a way they can understand.

ThinkSpot , the text's open access website, provides students with a large number of tools to help them achieve a better grade.
