Chart your course and build your ladder to ultimate success with this essential career resource! Law firms are promoting fewer associates to partnership and looking more closely at the performance of existing partners. This book will set you apart from the crowd and help you:

- prove you can produce for the firm,
- manage the business and manage people,
- add value to the firm in other ways, and much more!

Most firms provide surprisingly little guidance to associates about the skills they need to succeed as partners. If you want the skills and talents beyond those typically needed to succeed as an associate, this insightful step-by-step guide can help you look ahead and build your ladder to success at your firm.
