Niki Flynn

Dances with Werewolves (Memoirs of a Spanking Model) Niki Flynn

Niki Flynn is a young woman on a journey into the dark heart of her own sexual fantasies. She is regularly restrained, spanked, caned, and whipped in the most notorious adult films of modern times—and she doesn't do it for financial gain or because she's a masochist. Niki Flynn makes extreme adult movies because of her curious and profound love of surrender and punishment. Her desires are all about authority and power in situations where she has none, where she is at the mercy of others who lack just that. And for the thrill of dread, anticipation, and the euphoria that follows when she admires the marks from the headmaster's cane or the pirate's whip, Niki Flynn is willing to endure torment. Flown to the secretive underground world of taboo filmmaking, this strange art has led her all over the world. From schoolgirl canings in England to spankings in California, from a Stasi interrogation in Germany to a forced haircut in Prague, Niki Flynn progressed to her darkest role ever—in Bratislava, where she danced with the fiercest werewolves of all.
