Preaching for Church Transformation Bill Easum

Before he was one of the best-known church consultants in the country, Bill Easum served a lengthy pastorate in San Antonio, Texas. When he arrived at the church it was in serious decline, with the possibility of having to close its doors beginning to loom over it. By the time he left it was the most vibrant, fastest-growing congregation in its city and region.

Shortly after he arrived, Easum preached a series of sermons on the book of Acts that challenged the congregation to become an authentic New Testament church. He called on parishioners to step out of their comfort zones, stop expecting their pastor to be a personal chaplain, and join together to reach their city with the message of Jesus. *Preaching for Church Transformation* provides updated versions of the sermons Easum preached as he issued this challenge to the congregation shortly after his arrival. Interspersed with the sermons is commentary telling the reader how to adapt them for her or his own situation.

Anyone wanting to lead a congregation from the status quo to growth and faithful witness will find *Preaching for Church Transformation* an indispensable resource.
