How to Decoupage: A Beginner's Essential Guide to Getting Started in the Art of Decoupage Decoration Mandy Cavanaugh

Decoupage, the art of decorating surfaces by applying paper cutouts and then coating with several layers of lacquer or varnish finish, shares several similarities with scrapbooking, but the former has a longer and more colorful history. Traveling to the West via the famous Silk Road (like many things from the East), decoupage has been embraced by countless people, including the likes of Marie Antoinette who even cut up paintings to indulge her passion for the art. You, on the other hand, need not go to this extreme. Using just printouts of classic paintings, your own photographs, newspapers, or other patterns or media you find, you can easily create your own decoupage masterpiece. Aside from being inexpensive, the art of decoupage is also fun and easy, and can be enjoyed by people of any age. It's also a great opportunity to incorporate recycled materials that you have lying around. Your future masterpiece can be anything from a picture frame, a small wooden jewelry box, a kitchen cabinet door, or if you're feeling truly productive, an entire bedroom wall! This book will provide you with everything you need to know, taking you through the process step-by-step to create your own work of art from start to finish.

This great information can easily drawn you into fresh stage of crucial imagining.

David Peacock:

As a student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this How to Decoupage: A Beginner's Essential Guide to Getting Started in the

Art of Decoupage Decoration can make you experience more interested to read.
