Most recent book was written with you in mind. From page one, MIND GAMES uses specific assignments which cut through all the guesswork. Targeting how your brain works, how you think, feel and react, these exercises gradually bring peace and understanding to you about yourself. Each assignment compassionately walks with you to completion (28 days to a better you). Ruts kept you stuck in the mud? This book throws you a rope, putting those ruts in the rear view mirror. If you've ever spent thousands of dollars on workshops, therapy and self help books, and still don't know how to feel better, you need this book. The tricks are easy. Your brain plays them on you all the time. Now you can play to win MIND GAMES. *Special note: if you are a parent, grandparent or teacher, you'll want to teach these skills to your children and students. Their success and their peace of mind may very well be a result of these skills.* Add a few extra books to your order and share them with people you care about.
