Stem Cell Wars: Inside Stories from the Frontlines Eve Herold

Americans have become the victims of misinformation about stem cell research. Over the last few years, the stem cell debate has been intensely political, religious, and confusing to many people. Now, Eve Herold explains what this science is all about, who is for and against it, and why it must go forward. She pulls together fascinating stories to highlight every aspect of this multifaceted field. She exposes the politics of stem cell research and demonstrates how the outcome of the debate could ultimately affect all of us. Packed with real-life stories of the people caught up in this groundbreaking struggle, *Stem Cell Wars* cuts through the noise and sets the standard for future debate.
