Tell Me Why

Riley Tim

Tell Me Why Riley Tim

Perhaps the first serious analysis of the Beatles' work and its impact on popular music, *Tell Me Why* is meticulous in its purpose and long overdue....Of the hundreds of books written about [the Beatles] none bring the musical knowledge and the familiarity with the period that Riley offers here."

-- Cleveland Plain Dealer

Album by album, song by song, Tim Riley gives us a new, deeper understanding of the Beatles. Outdistancing the countless tell-all biographies that have been written, Riley's study of the Beatles' music is as rigorous as it is soulful. He explores the entire Beatles catalogue, making clear that the legendary four were not simply teen idols -- that they were, in fact, brilliant musical innovators who created timeless songs and virtually invented the album-as-art.

From the Trade Paperback edition.
