The Roman Empire lasted from 27 BC to AD 476. It was an era of military conquest, but it was also a time of great cultural, artistic, and architectural advancements. However, modern Italian culture has been influenced by several other cultural sources, including the concepts of the Renaissance, as well as the cultures of neighboring countries. There's no wonder Italy has developed such rich and imaginative cultural traditions. The curriculum-based text and vibrant images come together to make this a truly engaging volume. This book also contains step-by-step craft instructions for creating carnival masks, mosaics, and more!
