The God Enquiry

Brendan McCarthy

The God Enquiry Brendan McCarthy

For as long as Brendan McCarthy can remember, he has been intrigued by the question of God's existence. He has discovered that he is not alone in this fascination. This book has been born out of numerous conversations with honest enquirers, fearful doubters, ardent believers and convinced atheists. More than that, it has been born out of a desire to conduct a personal, open and honest enquiry into the possible existence and nature of God. This is not a work of Christian apologetics; there is no attempt to convince anyone of anything. Rather, it is an invitation to look over the author's shoulder as he thinks his way through what he considers to be the most important issues with regard to belief in God. This book takes an informed, personal look at the question of God's existence and nature, but unlike most books of its kind, it does not seek to prove a point or to argue its readers into either belief or non-belief. Respecting the integrity of everyone involved in this debate, it maps a clear and accessible path through the maze of science, philosophy and theology, enabling the reader to come to his or her own conclusions. "As I wrote (and rewrote) this book, I made every effort to identify prior convictions and prejudices and then to set them to one side. What emerged was, for me, a fascinating process that led me down new roads and, I believe, into green, if somewhat uncomfortable, pastures. The end result is a book that is honest and engaging without being partisan. I hope that it encourages others to make a similar journey."

From reader reviews:

Janelle Smith:

Do you have favorite book? If you have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each reserve has different aim or maybe goal; it means that guide has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are reading whatever they take because their hobby is reading a book. What about the person who don't like reading through a book? Sometime, man or woman feel need book whenever they found difficult problem or maybe exercise. Well, probably you will need this The God Enquiry.

David Jones:

Playing with family in a very park, coming to see the marine world or hanging out with friends is thing that usually you will have done when you have spare time, in that case why you don't try thing that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love The God Enquiry, you may enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout folks. What? Still don't buy it, oh come on its known as reading friends.

Lisa Cook:

Many people spending their period by playing outside using friends, fun activity together with family or just watching TV the entire day. You can have new activity to pay your whole day by examining a book. Ugh, do you think reading a book really can hard because you have to use the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smart phone. Like The God Enquiry which is getting the e-book version. So , why not try out this book? Let's view.

Tina West:

That publication can make you to feel relax. That book The God Enquiry was vibrant and of course has pictures on the website. As we know that book The God Enquiry has many kinds or genre. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think that you are the character on there. So , not at all of book are usually make you bored, any it can make you feel happy, fun and relax. Try to choose the best book to suit your needs and try to like reading this.
