The Larry Nichols Story: Damage Control- How to Get Caught With Your Pants Down and Still Get Elected President David M. Bresnahan

A true story of murder, backstabbing, and criminal enterprise, Nichols tells of his personal experience with the Clintons and reveals many of their most brutal crimes. It's no secret that Larry Nichols has been credited with releasing the majority of the scandals about Bill Clinton during his terms as President. It was Larry and his role in the "Clinton Circle of Power" and "Clinton Chronicles" videos, in his book, "The Genie is out of the Bottle" that kept the Clinton Administration off balance and prevented many of their socialist agendas from being enacted and destroying our Great Nation. As a Freedom Fighter for America, Larry through his unceasing dedication, hard hitting videos and never-ending appearances on talk radio shows throughout the nation, sometimes 24 hrs a day, even to this day, he is fighting to prevent the Clintons from achieving their ultimate goal of "Global Power."
