**The Taste for Ethics: An Ethic of Food Consumption (The International Library of Environmental, Agricultural and Food Ethics)** Christian Coff

This book marks a new departure in ethics, which has up to now been a question of 'the good life' in relation to other people, based on Greek concepts of friendship and the Judaeo-Christian ,caritas.' No early moral teaching discussed man's relation to the origin of foodstuffs and the system that produced them; doubtless the question was of little interest since the production path was so short.
