'The Way of a Man with a Maid' is a foray into pleasure, pain, lesbianism, flagellation and explicit sex of every type – told from the viewpoint of a quintessential Edwardian gentleman. Jack has adapted a padded room of an old lunatic asylum named 'The Snuggery'. Filled with ropes, cushions, straps and feathers, he chooses Alice to complete his plans. Imprisoned against her will, she is teased into submission. And in moments of passion, when Jack names her his 'wife', Alice finally gives in to him, submitting to the power of his unbridled lust.
