THE ULTIMATE USER GUIDE FOR LEARNING WINDOWS 10 VISUALLY IN 1 QUICK WEEK!

Learn Windows 10 visually with step-by-step instructions and expert advice from a Microsoft trainer!

This handy guide to Windows 10 is perfect for beginners who have just started using the operating system and for users who have upgraded from earlier versions of Windows. Learn Windows 10 in 1 Week is designed to be read in seven sessions, whether those sessions occur over different or consecutive days is entirely up to you. The early sessions are designed to be the most basic and are meant to get you thinking about Windows 10 and what your options are. The later sessions explore key features and options of the operating system. In all, the seven sessions provide guidance on performing nearly 100 fundamental tasks.

Concise, Plain Language – This book is divided into sessions, each with multiple lessons. Each session has clear goals and objectives and is kept concise so that you can follow along without getting overwhelmed.

Step-by-Step Instructions – This book teaches you essential Windows tasks with step-by-step instructions using screen-shot-based tutorials with clear callouts so you can take advantage of everything Windows 10 has to offer.

Zeroes in on What's New – This book zeroes in on what's new and changed so you can quickly get up to speed with the new Windows, providing expert guidance so you can get the most out of each feature.

Tips & Expert Advice – This book is written by a Windows expert who has extensive experience training users on how to use the operating system. Inside you'll find a wealth of tips and advice.

This short guide isn't meant to be all inclusive. It is, however, meant to make your transition to Windows 10 a positive experience. If you are a visual learner, you'll be happy to know you can use this guide to get going quickly. Paced right and with plain-English instruction, this is the book you need to get the most out of the latest Windows offering.
