Moto M Never

What's harder than resisting one Dane man? Resisting two. I don't date bikers. It's my one cardinal rule. No rough, rugged, tattooed egotistical maniacs on two wheels. Even if they are gorgeous, brilliant, and sport the prefix Doctor. Bottom line, bikers are nothing but trouble. T.R.O.U.B.L.E Dr. Devlin Dane has had his sights set on my panties for months. But I've done a stellar job of fending him off. As Mercy Medical's most eligible bachelor, he has no problem in the panty dropping department. He's tall, dark, and inked all over. I get the appeal, I'm not dead. I'm not stupid either. He's a walking heartbreak waiting to happen. But when Reese Dane comes crashing into my life - literally- the game suddenly changes. Reese, the dark, brooding, motorcycle racing champion, knows exactly how to apply the right pressure on and off the track. The two have an unstoppable pull like centrifugal force, and both bad boy bikers are determined to take me on a high-powered ride I'll never forget... *MOTO is an unconventional (ménage) standalone novel. Spare panties and a box of tissues may be required.

From reader reviews:

Henry Major:

Within other case, little individuals like to read book Moto. You can choose the best book if you like reading a book. Provided that we know about how is important some sort of book Moto. You can add information and of course you can around the world by a book. Absolutely right, since from book you can know everything! From your country until foreign or abroad you will find yourself known. About simple factor until wonderful thing you could know that. In this era, we can open a book as well as searching by internet gadget. It is called e-book. You should use it when you feel weary to go to the library. Let's study.

Susan Velez:

Information is provisions for anyone to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider if those information which is in the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Moto as your daily resource information.

Pedro Engle:

The particular book Moto has a lot info on it. So when you read this book you can get a lot of profit. The book was compiled by the very famous author. This articles author makes some research previous to write this book. This kind of book very easy to read you can get the point easily after looking over this book.

Jeannie Brenner:

Is it an individual who having spare time subsequently spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This Moto can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these publications have than the others?
