Not Quite a Genius

Nate Dern

Not Quite a Genius Nate Dern

From the news editor at *Funny or Die* and former artistic director at the Upright Citizens Brigade Theater, a collection of absurdist, hilarious stories and essays on relationships, technology, and contemporary society.

This collection of essays and stories spans a wide variety of topics. There's the open letter to Charles Manson, the report of a brave archeologist's journey into a suburban man cave, and a long overdue missive from Leif Erikson to Christopher Columbus. Walt Whitman even teaches a spin class.

Nate Dern's razor-sharp eye examines modern society and technology, man buns, dating apps, and juicing crazes. Anyone who's ever scrunched their eyes at WiFi Terms & Conditions, listened to the reasons that led a vegetarian to give up meat, or looked on at horror at the evolving audacity of reality TV will appreciate Dern's wicked and funny take on modern life.
