**The Declaration of Independence (Revolutions)** Thomas Jefferson

Co-author of the groundbreaking *Empire* and *Multitude*, Michael Hardt examines the Declaration of Independence and other texts by Jefferson, arguing that his powerful concept of democracy provides a biting critique of the current American administration. Introducing this collection of Jefferson's writings, Michael Hardt makes a powerful case for re-examining the foundational writings of this American revolutionary in order to reignite the dialogue that first conceived of a "land of the free."
