Ghosts, specters, and spooks—oh my! These scary, creepy, spine-chilling, and thrilling tales will turn Halloween into a real fright night—but they’re also great any time a kid craves a little hair-raising amusement. With more than 350 pages, there are plenty of otherworldly shivers to please any daring and wide-eyed young reader. Set sail in the dark Caribbean night to meet “The Phantom Schooner,” silent and dark and able to disappear before your very eyes. What’s terrifying the pup in “The Frightened Dog?” Could it be those bloodcurdling moans, whines, and wails coming from a creature in the woods? The story’s end will leave children stunned and wondering. Some of these bone-chillers are strange, some funny, and others just petrifying, but they’re all classics.
