The Ultimate Mouth Manual Lee N. Sheldon

Here's the information you need to make dental decisions in the 21st century. It's no longer deciding whether an implant or a bridge is best; it's using CT scans and computers to do minimally invasive dental implant surgery. It's no longer only impressions of your teeth; it's digital imaging. It's no longer whether you do gum surgery or not; it's how control of oral inflammation may very well improve your general health.
