**The Winter Market in the French Quarter is in full swing, but murder isn't taking a holiday in the latest from the *New York Times* bestselling author of *Parchment and Old Lace*...**

The holidays are a busy time for scrapbook shop owner Carmela Bertrand—but not so hectic that she doesn't have time to enjoy browsing the booths at the Winter Market with her best friend Ava. The last thing the ladies expect to see is a lurching man stabbed by a serving fork, dying in front of them.

The victim is loathed restaurant critic Martin Lash, who posted his scathing reviews on the Glutton for Punishment website. And the prime suspect is New Orleans restaurateur Quigg Brevard—who was seen giving the critic a tongue-lashing minutes before someone stuck a fork in him. An old flame of Carmela, Quigg asks for her help, which does not please her current beau, Detective Edgar Babcock, to say the least.

Before her relationship is the next victim, Carmela needs to find a murderer who had no reservations about punishing the culinary curmudgeon...

Find this book as well as read it from at this point!

#### **Cathie Moss:**

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Crepe Factor (A Scrapbooking Mystery) can make you really feel more interested to read.
