Some of our most personal 'conversations' are our spiritual thoughts and spoken or unspoken prayers. Writing letters to God - writing spontaneously, in unfiltered and raw free-flowing words without a structured script, releases your inner self to Him. Prayer is a two-way 'conversation'. He wants to hear from us, and he wants our hearts to listen back. Keeping a prayer journal can help you to reflect upon your spiritual journey and deepen your relationship with God. Within its creamy "antique" blank lined pages are powerful prayers from Scripture and classic prayers. Each prayer carries a prompt to inspire your own meditations, reflection and prayers. In the back, there are pages to record Prayer Lists and Answered Prayers.

The elegant journal is covered in quality man-made material with the look and feel of real leather (trade name LuxLeather). The design features include debossed cover borders with copper foil titling and accents. The Lord's Prayer is engraved into the back. The volume has a lay-flat spine and an attached ribbon page marker.

Our writing journals are perfect for gift-giving, with a presentation page in the front.
