The Russians and Their Church

Nicholas Zernov, Nicholas Zernou

The Russians and Their Church Nicholas Zernov, Nicholas Zernou

For most people, the Russian Church, past and present, is one of the most enigmatic features of that paradoxical country. Yet a knowledge of the part played by the Orthodox Church in the lives of Russians before and after the Revolution is a key to any understanding of their history and culture. This readable introduction to Russian Church History covers its whole course: the early beginnings among the pagan Slav communities, the vital and touchy interaction of Church and State during the turbulent reigns of the Tsars, and the Church's narrow escape from destruction after the Bolshevik Revolution. For this edition, Nicolas Zernov, who is the author of many authoritative works on Russia and the Orthodox Church, has revised and amplified the chapters dealing with the post-Revolutionary Church. The changeable attitude of the Communist State towards the Church is described, including the astonishing resurgence of Christianity tolerated during the Nazi invasion of 1941, and the unexpected persecution under the 'liberal' Khrushchev, and there is a warning of the dangers continuously menacing the Church in Russia.
