Protecting the Digital Family from Pornography Davis Cook

The information superhighway is both a wellspring of educational opportunity for our families and a disquieting fountain of concern. We are torn between the desire to allow our families access to this bottomless sea of information and the need to protect them. There is hope! We simply must take responsible steps to protect our families as they surf into this powerful digital waterway. With the aid of this powerful little book you will be able to: ? Understand how big the problem really is. ? Learn how to check your computer for traces of unacceptable material. ? Discover how to remove all traces of pornography from your computer. ? Allow access to acceptable websites. ? BLOCK pornography from ever being viewed on your computer again! ? And so much more.
