When Jack spies the nubile form of Evelyn staring out across the waves upon the deck of ship bound for France, his rakish predispositions can not keep him from striking up a conversation of the most deliciously suggestive kind. Finding her extremely eager to be educated in the wanton ways of Venus, Jack proposes to abuse his position as British Embassy Diplomat and pose as "Uncle" to the dear girl and her very close friend Nora.

First stopping at a famed Parisian bordel and the bed of talented prostitute Rose, Jack enlists her to introduce his two "wards" to the most profound of pleasures. It is not long before our protagonist is whisking his trio away on a grand voyage of all underground Paris has to offer, from S&M clubs to orgies to one mechanically operated "whipping chair". There is no limit to their libidinous designs as each loses themselves to the heart-palpitating heights of sexual excess.

This wonderfully graphic tale, written pseudonymously during the roaring 20s, will be sure to shock and delight as it did during that infamous decade of decadence.
