Reality TV host Ben Harper has a problem: he owes the king of Faerie a favor. So now he has to track down the three parts of a Viking arm-ring, and return them to their place in time. This takes him through the wolf-haunted forests of Viking Age Wessex, the rowdy back streets of Shakespeare's London, and a derelict Georgian country house. Partnered with caustic, shape-changing Raven and guided by a slightly wacky goblin diary, Ben must rediscover his own gifts while facing his doubts and the queen of Faerie's minions, who will do anything to stop him.

The Dragon Ring, the first in the Harper Errant series, is a time travelling epic adventure which takes you to Old England, and beyond.
