American Wild: Explorations from the Grand Canyon to the Arctic Ocean

Michael Engelhard

American Wild: Explorations from the Grand Canyon to the Arctic Ocean Michael Engelhard

Torn between two "soulsapes"-the canyon country and Alaska-the author has roamed both for twenty-five years. En route he suffered snowstorms, boat-flips, heat, injury, bobcat tamales, upset raptors, charging grizzlies, the Park Service, heartbreak, hungry mosquitos, and honeymooners from abroad. Above all, American Wild speaks of one man's desire to see natural wealth and our stories about it preserved.
