Children's Illustrated Atlas DK

Bring geography to life and explore the countries of the world like never before with DK's *Children's Illustrated Atlas*.

Featuring approximately 50 unique maps of the world that show each country in full-color detail, this new atlas is bursting with information, combining colorful icons with photographs representing key points about each country. Young adventurers ages 8-12 will start by learning the fundamentals of reading a map by using a key, compass, and scale, and will progress to discovering fascinating trivia about all the countries of the world, from the United States to Ukraine and Turkey to Taiwan. Bite-size facts and figures that cover a variety of topics such as climates, population, mountains and rivers, and politics in different continents help support school curriculum and make this a perfect book for the classroom.

With an engaging infographic design and easy to understand layout and text, the *Children's Illustrated Atlas* will get the most reluctant explorer learning about the world outside of their own experience.
