Dawn of Wonder: The Wakening, Book 1 Jonathan Renshaw

When a high-ranking officer gallops into the quiet Mistyvales, he brings a warning that shakes the countryfolk to their roots. But for Aedan, a scruffy young adventurer with veins full of fire and a head full of ideas, this officer is not what he seems. The events that follow propel Aedan on a journey that only the foolhardy or desperate would risk, leading him to the gates of the nation's royal academy - a whole world of secrets in itself.

But this is only the beginning of his discoveries. Something is stirring in the land, something more ominous than the rising threat of hostile nations. Fearful travelers whisper of an ancient power breathing over Thirna, changing it, waking it. In the very heart of these stirrings, Aedan encounters that which defies belief, leaving him speechless with terror - and wonder.
