Products Liability: Problems and Process, Sixth Edition, is a challenging yet student-friendly and accessible book that has proven itself over time. Written by exceptional instructors who also served as the two reporters for the Restatement (Third) of Torts: Products Liability, there is no better introduction to this intriguing topic than this casebook.

In addition to the stellar authorship of this concise casebook, you will notice these outstanding features:

- The text **fully integrates the Restatement rules and comments**.
- The **problem-based approach** applies the law to **real-life situations** .
- **Student-friendly mix of cases, notes, and problems** that introduces students to black letter law and its underlying policies.
- **Thorough Teacher's Manual** that includes **syllabi for 2- and 3-credit courses** and **answers to all of the problems in the casebook**.

Further refinements to the Sixth Edition include:

- **New problems**
- New cases, including:
 - *Parish* (Iowa S. Ct.) on category design liability
 - *Greene* (Michigan S. Ct.) on failure to warn
 - *Williams* on punitive damages
- **Completely Updated Teacher's Manual**

This compact yet inclusive casebook provides everything you need to teach an engaging, enlightening course in Products Liability. Put to the test in classroom after classroom, edition after edition, **Products Liability: Problems and Process, Sixth Edition**, is justifiably a favorite among students and professors alike.
