Cricket McKay has lived in Waterton all her life, so she is surprised to discover an animal she hasn't seen before: the long-toed salamander. She finds a band of them migrating from the pond to their hibernation grounds at Crandell Mountain. Crossing the road that lies between the pond and the mountain is dangerous enough, but now a newly-constructed curb makes their journey even more challenging. Can Cricket and her friends come up with a solution to help the salamanders?

Salamander Rescue is the second book featuring Cricket and friends, following *Ospreys in Danger*.
