Scholastic Discover More: Weather Penelope Arlon

Favorite topics in active and interactive print and digital books, specially designed for newly confident readers.

Every year, stories of extreme weather events dominate the news. This book not only informs children about different types of weather but helps them understand how weather systems are connected. Case studies that run throughout the book give eyewitness accounts of weather disasters and a final section includes weather heroes from meteorologists to storm chasers. The digital book tells you how to be a weather forecaster. Structured layouts, age-appropriate vocabulary, and infographics make this book a great informational text at school and at home.
