Time is relative, or so Einstein's Theory of Relativity tells us. And what better way to prove this theory correct than with a sundial, which ignores the cloudy hours and only measures the times of day when the sun shines. And sundials have been providing this service for 3300 years with the utmost accuracy. Which is why so many choose to decorate their gardens with these amazing ancient timepieces. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
