Alternatively, if you have a major goal in mind already, like giving up smoking or changing your career, the DIY 5:2 Option can help you achieve it

Even the busiest person will be able to find enough time to try the enjoyable, energising activities – and 5:2 Your Life also includes a six week eating plan that complements the lifestyle challenges. You can choose to do them together, or separately – it's up to you.

The 5:2 Your Life Plan takes you through a series of activities to help you identify the changes that will benefit you most – and work out how to achieve them. The ideas and tasks are practical and proven, offering creative ways to help you feel happier and healthier. The activities are backed by scientific and psychological research – but they're broken down into manageable chunks that won't make unrealistic demands on your precious time.

recipes for your fast days, plus extra guidance on eating well all week long.
