#### **Roger Moxley:**

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this A Look at Australia (Our World) can make you feel more interested to read.
