And Here's to You!

David Elliott

And Here's to You! David Elliott

Here's to exuberant read-alouds! This picture book ode to joy invites us to celebrate the world's vast diversity — and feel pretty happy with our place in it, too.

Here's to the birds!
The Feather People!
Birds!

Here's to the birds and the bears and the bugs! Here's to the weird and wacky, the cute and creepy! From toothy fish to let-you-when-you're-sleeping cats to lick-lick-lick-lick-lick dogs, every creature is unique and lovable . . . especially you! The infectious joy of David Elliott's wonderful read-aloud poem and Randy Cecil's brilliant, amusing artwork is sure to have children reciting along.

From reader reviews:

Desiree Schwindt:

As people who live in the actual modest era should be update about what going on or info even knowledge to make these people keep up with the era which can be always change and progress. Some of you maybe may update themselves by studying books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This And Here's to You! is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Sheryl Vaughan:

People live in this new day time of lifestyle always try to and must have the extra time or they will get wide range of stress from both everyday life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not only a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will certainly unlimited right. Then do you ever try this one, reading publications. It can be your alternative with spending your spare time, the actual book you have read is definitely And Here's to You!.

Alan Durham:

And Here's to You! can be one of your beginning books that are good idea. We recommend that straight away because this book has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining however delivering the information. The writer giving his/her effort to set every word into enjoyment arrangement in writing And Here's to You! but doesn't forget the main stage, giving the reader the hottest along with based confirm resource info that maybe you can be among it. This great information can easily drawn you into new stage of crucial considering.

Lillie Rose:

This And Here's to You! is great e-book for you because the content that is full of information for you who also always deal with world and have to make decision every minute. That book reveal it information accurately using great manage word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having And Here's to You! in your hand like getting the world in your arm, data in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen minute right but this e-book already do that. So , this really is good reading book. Hi Mr. and Mrs. active do you still doubt this?
