“An enchanting union of old and new, Staveley's debut will keep you turning pages late into the night.” —*Pierce Brown, New York Times bestselling author of Red Rising*

The emperor of Annur is dead, slain by enemies unknown. His daughter and two sons, scattered across the world, do what they must to stay alive and unmask the assassins. But each of them also has a life-path on which their father set them, destinies entangled with both ancient enemies and inscrutable gods.

The Emperor's Blades — Three siblings: Kaden, the heir to the Unhewn Throne, has spent eight years sequestered in a remote mountain monastery. An ocean away, Valyn endures the brutal training of the Kettral. At the heart of the empire, Adare hunts those who murdered her father.

The Providence of Fire — Kaden infiltrates the Annurian capital, while Adare flees the Dawn Palace in search of allies to challenge the coup against her family. As armies prepare to clash, the threat of invasion compels the rival forces to unite. Unknown to Adare, Valyn has allied with the invading nomads.

The Last Mortal Bond — The ancient csestriim are back to finish their purge of humanity; armies march against the capital; capricious gods walk the earth in human guise, but the imperial siblings at the heart of it all soon understand that there may be no reconciling their conflicting visions of the future.
