[Menage Amour: Erotic Consensual BDSM Cowboy Menage a Trois Romance, M/F/M, spanking, sex toys, HEA] The talented country music singer Loretta Brooks is going through a scandalous divorce, and the media are eating up every dirty detail. All she wants is an escape from the reporters camping on her lawn and a vacation from her life. That and maybe to be able to forget her ex and feel loved in the arms of a real cowboy or two. Two sexier than life cowboys come to her rescue and whisk her away to their working cattle ranch. Roland and Esteban Carter don't try to impress Loretta with lies or songs. They are determined to give the space and time she needs to heal, but when she comes on to them they realize this may be the one woman they can love and share their hearts with. She is a perfect fit in their arms and in their home. None of the young lovers expect the outside world to understand or respect their newfound love, and the secret passion is like a ticking time bomb. How long can it last before the world tears their happy threesome apart? Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance
